Secondly, a tour of Adelaide City itself and also our renowned beaches along the southern seaboard.

Both of which will conclude before the Opening Reception which will take place at 6:00pm, on the 12<sup>th</sup> of October.

## Adelaide hills sightseeing

The Adelaide Hills tour travels through the hills of Adelaide and stops firstly at Maggie's Beer Garden which is approximately 1 hour into the Hills from the suburbs of Adelaide.

The second stop after this visit, is the Gorge Wildlife Park.

A rare unfiltered opportunity to interact with Australia wildlife face-to-face in safe borders.

After the Gorge Wildlife Park, the tour travels to the German township

of Hahndorf, 25 minutes from the CBD.

The final destination is at the Mount Lofty Summit, which oversees the stunning city and hills of Adelaide.

## City highlights & beach

The second option travels through the bustling city of Adelaide, along North Terrace; stopping at locations such as Rundle Mall, the State Parliament, Victoria Square, the South Australian Museum and the Art Gallery.

The tour then moves onto the beaches of Adelaide, through Glenelg's Moseley Square and the Glenelg jetty.

The tour will conclude by travelling by tram back into the CBD at 4:00pm .
